

GOLF LESSONS

Looking to improve your swing and take your golf game to the next level?

My name is Teagan Moon. I am a PGA Associate currently working toward full PGA Membership with a strong passion for growing the game of golf. As a former collegiate golfer and NAIA National Championship competitor, I bring both competitive experience and a positive teaching approach to every lesson. My goal is to help each student gain confidence, improve fundamentals, and enjoy the game.

LESSON COST \$50
